Meet Amber Cicchillo Preschool & Nursery Coordinator

I grew up in a Christian home and have always felt called to ministry. It's only fitting that God has placed me here since I have a preschool aged daughter and nursery aged son. I love working with the children of The Bridge and teaching them about God's love. Children are so full of faith, that we as adults forget about sometimes. It's inspiring to me and my family to be a part of The Bridge Community Church family.

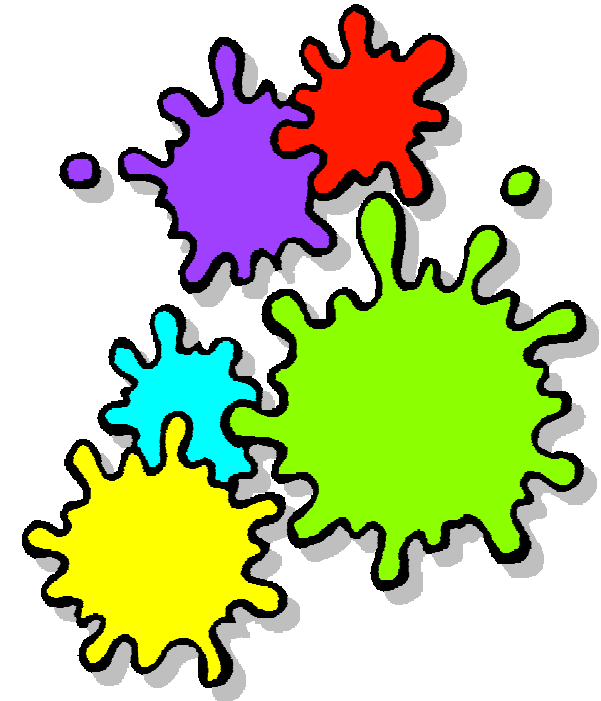

Meet Pastor Barb Ellis Children's Pastor

I am thrilled to be in sunny Laveen, teaching the children at The Bridge. I am a native of Washington State (so the sunshine is new to me) My life mission is to reach and teach as many children as possible about Jesus. With this goal in mind I am honored to partner with The Bridge at KidZone, and special outreach activities for the community.

Bridge Family Ministries

The purpose of The Bridge Family Ministries is to serve the youngest of our congregation in such a way that they will feel loved, valued, and happy to grow up in fellowship with God. We strive to meet the needs of our children by providing excellent programs that include both state of the art video as well as classic teaching tools like puppets and flannel, all blended together to create the best hour possible. We also strive to meet the needs of our parents by offering take home lesson ideas to extend the Sunday school experience.

To create the best possible environment for your child to receive age appropriate learning we ask that you adhere to our classroom age guidelines.

seeds n'ursery

During the Sunday Morning Service at The Bridge we provide a fun and safe nursery environment for our youngest church members. They will learn about God in a setting and atmosphere that is age appropriate for 0-36 months. Our time with these little ones is led by our trained volunteers, singing songs, playing games, interacting with other children and leaders learning how much God loves them.

Sprouts is designed for our potty-trained preschool children ages 3-5. Here they will learn about God in a setting specially designed for them, with games, crafts, Bible story time, puppets and music all woven together to make learning fun and memorable.

KidZone is for children kindergarten–6th grade. Our goal is to make KidZone the best hour in every child's week! Join us as we learn more about Jesus through skits, puppets, small groups, games, crafts and songs. Our hour is jam packed with opportunities to help children grow in their understanding of Christian faith.

For the well-being of the other children and volunteers please do not bring a child into class who has experienced any of the following symptoms within the last 24 hours, they must stay with you:

- Fever
- Vomiting and/or diarrhea
- Runny nose which is cloudy or colored

Thank you in advance for your thoughtful cooperation.
